C

Code of ethics, ANL-1 to 4

Contacts, DOE Financial Managers, Intro-5 to 13

Courses available

Account/Work Order Master Technical Training, LM-9

Account/Work Order Master Information Session, LM-9

Active Files Management, LLNL-50

Activity-Based Cost and Schedule Estimating, WHC-15

Advanced Custom Project/2 Series X, WHC-16

Aquisition Planning, LLNL-40

ASSIST Basics, LLNL-16

ASSIST/Batch for Resource Managers, LLNL-21

Basic Custom Project/2 Series X, WHC-16

Basic Procurement (M&O Perspective), LLNL-41

Basic Scheduling, WHC-15

Batch Basics, LLNL-20

Budget Implementation/Execution, WHC-4

Budgeting, Property, and Procurement in the Laboratory Context, LANL-3

Business Ethics & Allowable Costs, WHC-5

Buyer Technical Representative Training, WHC-19

Capital Accounting and Physical Accountability, LM-9

Capital Equipment, LLNL-14

Capital vs. Expense Procurements, PNL-2

Certification for Technical Release Representatives on Service Requirement Subcontracts; Module 1: SRS

Concepts, LLNL-35

Certification for Technical Release Representatives on Service Requirement Subcontracts; Module 1:

PARIS Computer Training, LLNL-36

Certification for Technical Release Representatives on Service Requirement Subcontracts; Module 2: SRS

Release Administration, LLNL-36

Certification on Commodity Requirement Subcontracts; Module 1: Introduction and Classification, LLNL-36

Certification on Commodity Requirement Subcontracts; Module 2: Release Administration, LLNL-36

Certification on Commodity Requirement Subcontracts; Module 3: Delegation of Authority, LLNL-37

Certification on Commodity Requirement Subcontracts; Module 4: PARIS Computer Training, LLNL-37

Certification Requirements—Module 1, LLNL-48

Certification Training for Technical Release Representatives, LLNL-35

Charging Guidelines, PNL-3

Clearing/Preventing Invalids and Cost Corrections, PNL-4

Commitment Reporting System, LM-9

Construction Funding and Accounting, Modules I and II, LLNL-11

Construction Funding and Accounting, Modules III and IV, LLNL-12

Construction Funding and Accounting, Modules V, VI, and VII, LLNL-13

Construction Manager Delegation of Authority, LLNL-42

Construction Subcontracts, LLNL-43

Continuous Improvement Process, Ames-6

Index, Continued

Courses available, continued

Contracting & Material Management: An Overview, LLNL-44
Contract Law, LLNL-45
Contract Types, LLNL-46
Cost Budget E-mail Enabled Questions Using Netscape, SNL-3
Cost and Price Analysis, LLNL-47
Cost Accounting System (CAS), LM-9
Cost Accounting System Overview, LM-9
Cost Estimating, LM-9
Cost Estimating Workshop, LLNL-7
Cost Transfer Basics, SNL-3
Determining Funding Source, WHC-6
Effective Requisites, WHC-17
Effort Workshop, LLNL-9
Encumbrance Reporting System, WSRC-3
Enhancing Sponsor Relations, LLNL-30
Essentials of Program Development, LLNL-27
ESTIMATE Basics, LLNL-20
Executive Financial Training, Ames-4
Federal Budget Process, WSRC-2
Federal Budget Process and DOE Funding, LLNL-6
FDS Budgeting, WHC-11
FDS Financial Reporting, WHC-10
FDS Overview and FDS Soft Reporting, WHC-9
Financial Management—Preparation for Fiscal Year End, SNL-2
Financial Training, Ames-3
Financial/Workforce Planning for Managers, LLNL-8
FIS: How to Interpret Cost Budget Reports, SNL-3
How to Obtain Standard Reports, SNL-2
Indirect and Unallowable Costs, WIPP-1
Industrial Partnering: Successful Mechanisms, LLNL-25
Information Center User Interface, LM-9
Intellectual Property from A to Z, LLNL-24
Introduction to Financial Management at DOE, DOE-HQ-4 to 11
Introduction to Service Centers for Service Center Staff, SNL-4
Introductory Financial Training, Ames-2
Introductory Records Management, Ames-6
Ledger Adjustments, LLNL-10
Licensing: Turning on the Royalty Stream, LLNL-26
Logic Development and Resource Loading, WHC-15
LROCC on ASSIST, LLNL-21
Management Control System Fundamentals, WHC-13
Management Control System-Module 1, WHC-13
Management Control System-Module 4, WHC-14
Mechanics of Activity Data Sheet (ADS) Preparation, WHC-7
Negotiation Mastery, LLNL-33
Oral Presentation Skills, LM-9
Overview of Financial Management, LLNL-5

Index, Continued

Courses available, continued

- Overview of Financial Organizations, LM-9
- Patent System and Applications, LLNL-34
- Preparing Savvy Spend Plan Adjustments, SNL-3
- Procedures News Briefs, LM-9
- Procurement System Overview—Customer Groups, WHC-17
- Procurement System Overview-Sellers, WHC-19
- Product Orientation, WSRC-1
- Program Development for the 90's, LLNL-16
- Project Analysis & Reporting System (PARS), WHC-14
- Project Classification & Funding Criteria, WSRC-3
- Property Management Training Program, LLNL-51
- Property Reutilization and Disposal, WHC-20
- Rate Development and the Consolidated Labor System, WSRC-4
- Rates, WHC-8
- Recovery Process, PNL-3
- Release Administration and Computer Practice—Module 2, LLNL-48
- Resource Stewardship, DOE-HQ-12
- Service Centers—A Customer's View, SNL-4
- Service Contracting, WHC-18
- Spend Plan Tool, SNL-3
- Standard Scheduling System Management, WHC-16
- Statement of Work Assistance Workshops, WHC-18
- Strategic Planning for New Business Opportunities, LLNL-31
- Tax Facts Seminar, LM-9
- Technology Transfer—Past, Present, and Future, LLNL-23
- Unallowable Costs, LLNL-15
- Understanding Overheads, PNL-2
- Using Control-D, an Online Viewing Tool, SNL-2
- Using the FTS Management Reporting Online Queries, SNL-2
- Value-Added Program Management, LLNL-32
- Work for Others Financial Management, LM-9
- Writing for Dollars: How to Write an Effective Proposal, LLNL-24
- Writing Laboratory Proposals, LLNL-29
- WSRC Accounting Systems, WSRC-2
